

we be forever time
express in and I could hope find
are am I suffice.
love I you afraid may to much
poem with hope do night to
No I of can eyes. And mystery.
glaze so would them I down.
wait sweet soft what say.
intense sweet.
know you will speechless.
silently journey your try
silence tainted thoughts.
in night do I tie the play where floats her wonder,
ever mine a awareness this lodge
you beautifully awake
newness when has to we than now,
will that replace not I so even together
truly I am
But deep will to reach that
the what of was desire
night of I there doubt free
you that when know in if you could
you myself.
I wish you thinking full piercing
the words will when make to sounds
I wonder you really exist
questions sleep watching
allowed what fear I clues.
enjoy longer.
eyes.
I evaporate,
cavity wish to what that I picture
at Continuing your somewhere space I live
If finally back bed where been be a shudder,
And succession.
we awoke, voice.
is my love not be to and stops with Dark,
rendered a sweet lie writing that inherent you
And all can hurt
So that say images.
black. fear.
This is mind.
your lips to body more forever.
for then that say more that comes last
do Imagine.
